

Iceni Academy Council meeting - 11th November 2020

Dear Academy Council

Thanks you for your suggestions. I have replied in red.

Kind regards

Mrs. Owner

Present: Jack, Bow, Roxy, Faith, Jenson, Alex, Ruben

Mrs Harris asked the children if they would like the school to take part in Christmas jumper day, which is on the 11th December for Save the Children, we would ask for a donation for this.

Academy Council said yes they would like to do this, it should be a non-uniform day too. They suggested that if people do not have one or do not want to buy one they can still take part by adding a bit of tinsel or Christmas decorations to a jumper.

What a brilliant suggestion. Can Jack and bow write a letter to parents please?

These are the suggestions from the Council groups:

Queens

- 1) Can we have tinsel on our desks to make the children feel more festive?
Unfortunately, not as tinsel is very hard to keep clean and your desks are cleaned twice a day. We will make sure each class a tree to decorate though. Mr Myhill can you please get seven trees out of the large shed/loft for classes to decorate on 1st December.
- 2) Can we have a mini gym area outside in the playground?
We have looked into this and as soon as we can get a grant, we will do this.
- 3) Please can we have another big red ball for the playground? - Teddy thinks that the one we have was given just to KS2 because the little ones were arguing over it before.
Mrs Mead, can you look into this further please?

Emmanuel

- 1) Please can the boys' toilets be re-painted to make them nicer as it is not a nice place to go. Can children also be reminded to dry their hands properly as there is always water on the floor?

I have forwarded your request to Mr Potts.

Teachers-please ask your class to dry their hands properly.

- 2) Can we have more library books?

We have many library books; can you tell me which genres you would like?

- 3) Could we have a movie club after school (once clubs are allowed again)

I will look into this.

Trinity

- 1) Could Oak have Monopoly for wet play days?

Academy council, please write to FOHSA and ask for some money for wet play games for each class. We can do this at the next meeting.

- 2) Could we have more non-fiction for Literati? *Miss Rickards, can you organise please?*

- 3) Could we have a police car wood carving like the train in the playground?

I do not think that we have the room at the moment.

Churchill

- 1) Beech would like board games for wet play. *Please see the above comment - great minds think alike!*

- 2) Could we have brighter lights in Oak class? *The lights have to be certain types, but I will pass your comment onto Mr Potts.*

- 3) Please could we have class pets after Covid? (Academy council did discuss the issues with looking after class pets if this did happen).

We did look into this before. We will discuss after Covid.
