Dear Academy Council

Thank you for your thoughts from the last meeting.

I think that the Positivity Poster is a wonderful idea and we will ask teachers to make time before next Thursday, so every child has the opportunity to design a poster.

I also like the idea of a Wildlife Team and I think this could be incorporated into the Eco club jobs from September onwards. Mrs Cooper runs that club, so she will pick this up.

Keep up the good work!

Kind regards

Mrs Owner
