2. Top Three Concerns from Class council

Pankhurst

1. More balls for the playground – footballs, tennis balls. Mrs Hovell to order.
2. More paint and paint brushes needed for art lessons. Mrs Stubbings to order.
3. Lines on the playground – we have been asking for this for a long time but we cannot see them, especially the netball lines. Mr Paisley or Mr Potts to organise.

Nightingale

1. KS2 Show and tell. Mrs Owner explained that this was difficult due to how long it takes each day. Maybe a special Show & Tell occasionally? Teachers to decide.
2. KS1 residential – a KS2 member suggested this. Academy council agreed that this should be for Oak only, as it is one of the special things about being in Oak class.
3. Swings – agreed to look at another piece of trimtrail. A suggestion was made for a slide. Academy council to look into this.

Attenborough

1. More school trips. Agreed.
2. Dance club after school
3. More geography

Mandela

1. No lesson day. Agreed at the end of the year.
2. A library space. Increase area in the ant room.
3. More clubs before school.

AOB

Harry asked about TP. Agreed to talk to their class about the team point treat trolley and talk to the teachers about keeping a record of the number of TP each child has. We will then be able to track who has earned which treat.
