HALF TERM

A message from the

PRINCIPAL

Dear Parents/Carers,

Welcome Back Everyone, I hope that you had a lovely Christmas and New Year! We hope you like the new

corridor now that it has been painted, as much as we do!

Thank you for your co-operation with STAR time.

Having less people in the building at the start of the day has made it safer and

allowed children to settle more quickly, so although we are still getting used to it,

Initial thoughts are that it is working well. On the days when parents are not invited in for STAR time, or for those parents who cannot attend, we do ask that you drop your child off at the main door, rather than coming into school, to prevent congestion in the entrance. Messages can be emailed directly to the teacher before 8am or left

with the person on door duty.

As you know we complete wellbeing calls for those

pupils who are absent from school. I have updated this procedure which means that we will now telephone home to speak to the children from day 3 of absence. The

updated procedure is attached with the newsletter. We will also be guided from the Public Health England

illness guide, which has been attached to this email.

School based swimming has been postponed for the time being due to the swimming pool being out of action. We have been informed that it will take a few months to be repaired, so we are looking into other options and will keep you informed.

Emma Owner,

Principal

We would like to tell you about...

We are very excited to announce that The King has written to us, to thank us for the commemorative book we sent him to remember the Queen. More photos are on our Facebook page.
