## PRINCIPAL

Dear Parents/Carers,

We were very excited on Wednesday this week as we had 100% attendance—this is brilliant, especially with all the bugs going around.

We have learned that some of the children have been falling out when playing Roblox Doors. Here is some information for parents, so you can decide whether you need to chat with your child about the game:

Unfortunately, we still have £100.00 of outstanding payments for our recent

Science Museum trip. If this is not paid we will have to find the funds from another source which will, regrettably, take money away from other things for the children.

We ask that if you have not paid yet and are able to do so, please do. Thank you for your continued support.

We would like to tell you about...

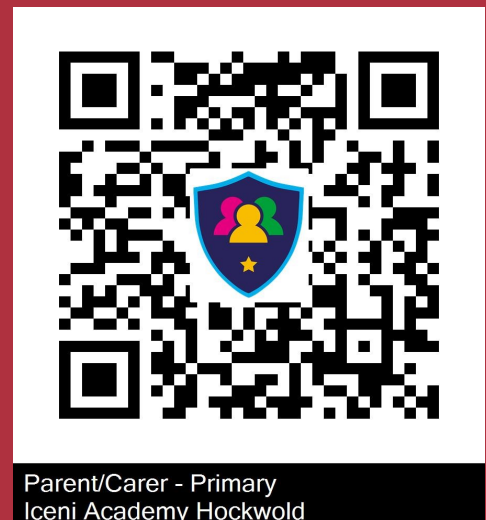

As part of our topic People Who Help Us; Acorn Class had a visit from three doctors on Friday afternoon. Dr Taylor told us all about our ears, and Nurse Chad brought us some instruments and a gown for us to keep in class. A very big thank you to everyone for giving up their time and Mr and Mrs Eneix for organising.

A note from Greggs Bakery. We know that many families will struggle to make ends meet, and with the unexpected rise in the cost of living, can suddenly find themselves in very difficult circumstances.

The Hardship Fund allows Greggs Foundation to offer a helping hand to people during a moment of crisis.

Our grants are there to help people provide individual items that can make a huge difference to family life - white goods for domestic use, beds and mattresses to aid restful sleep, grocery and clothing vouchers to support the purchase of essentials.

We can also provide vouchers towards the purchase of smaller kitchen appliances and utility vouchers to support the cost of running a home. If you would like Icen Academy to put a claim in on your behalf, please speak to Mrs Owner.
