

Present: Delilah, Robbie, Mason, Scarlett, Harry, Maddie, Leo, Freddie, Shannon, Mrs Owner

1. Feedback on top 3 priorities from class council:

Attenborough:

Can we have gym mats on the field? Unfortunately, not because they will get dirty.
Art day – we have art lessons each week. What would you like to do in art day?
Yoga club – I will look at this for September

Pankhurst:

Heating to be turned off – very good point! I will ask Mr Myhill.
Taking water bottles out at break time – good idea. I will mention to class teachers
Non school uniform on your birthday. I worry that children will feel left out or get confused. Agreed not to do this.

Mandela:

Outdoor clock for breaktime. Great idea, I will order one.
Shaded area outside, like a canopy. Picnic benches and parasols – I will see if FOHSA can buy these.
Do not want the extra 10 minutes – can you check who this is, so we can find more.

Nightingale:

Football club – we do have a club, Academy council to remind their class.
Teachers' bench – it was agreed that teachers need to walk about!
Class pet – can you think of easy class pets? We will discuss again next time.

2. Healthy school packed lunches. Concerns brought to Mrs Owner from MSAs and class teachers. Sharing information found. What can we do?

Scarlett, Harry and Maddie – poster for the classrooms.

Leo, Freddie, Robbie and Delilah – speak in assembly.

Shannon, Mason and Lilli-Belle – write for the newsletter

We will meet again on Thursday to see how much we have done.
