A message from the

PRINCIPAL

Dear Parents/Carers,

I was lucky enough to visit Oak class at their residential on Thursday evening; the

Kingswood staff commented on how well behaved and polite the Icenorfolk children are—we

already knew this, but it is nice to be told by someone else!

I was impressed by the

resilience and the

determination showed by our children too. Go Icenorfolk!

Hockwold!

We have training on June 21st so Make a Model is not on.

Roots and Boots and Ukulele are still on as usual.

Please also note that the last week of clubs is 3rd July.

I have noticed that we have an increase in children arriving after the registers have closed at 8.45am. Our doors open at 8.25am, so the children have time to read or play memory games, so please ensure your child arrives as close to 8.25am as possible so they can access as much of the curriculum as possible.

Any child who arrives after 8.45am is marked as late.

The Flourishing Families Tool has been designed for families who might want a little extra help meeting their child's needs. There are all sorts of things that families can get help with, whether it's healthy eating, fun activities or financial management, and this tool was developed to help families work out what they are already doing well and help them to find support when and if they need it. [The tool is available at www.jostonenorfolk.nhs.uk/flourishingfamilies](http://www.jostonenorfolk.nhs.uk/flourishingfamilies) and in just five minutes families can find out about the support that's available.

We would like to tell you about...

Oak class had a wonderful time on their residential this week at Kingswood.

Please have a look at our Facebook page to see all the fun activities they got up to!
