A message from the

PRINCIPAL

Dear Parents/Carers,

I hope you have had a chance to watch the video; a link to it is on our Facebook page. It shows just how wonderful our academy is!

Now the weather is getting warmer we are reminding

children to drink more water and wear sun hats outside. Please also provide sun cream and teach your child how to apply it, as we cannot help them. Children have started bringing toys into school to take outside, this is not allowed

because we do not want things getting broken or lost.

Children can bring a pad and a pencil if they need to, although we do prefer them to spend time being physically active, as part of the Government's 30-minute activity each day

guidance advice.

We have been praising children who have a healthy lunch each day. Academy council are going to be looking at this in more detail next week—we will tell you what they have noticed next week!

The Flourishing Families Tool has been designed for families who might want a little extra help meeting their child's needs. There are all sorts of things that families can get help with, whether it's healthy eating, fun activities or financial management, and this tool was developed to help families work out what they are already doing well and help them to find support when and if they need it. [The tool is available at www.justonenorfolk.nhs.uk/flourishingfamilies](http://www.justonenorfolk.nhs.uk/flourishingfamilies) and in just five minutes families can find out about the support that's available.

We would like to tell you about...
