## A message from the

# PRINCIPAL

Dear Parents/Carers,

I would like to start by thanking you all for attending parents'

consultation evenings last week. It is always beneficial giving time to look through your child's work and we have managed to speak to 97% of parents—brilliant!

On Friday 3rd November, a member of the public rang up after school to say that on their way through Hockwold, a child ran out into the road, and he nearly hit them.

He was very upset at what may have happened if he had been going faster and asked me to pass on his concern as he could not see a parent with the child.

We had our Full Academy

Review carried out by ATT this week. The review team were very complimentary about the children and staff, in particular the learning environment, the commitment by staff and the enthusiasm of the children. They commented by

saying things such as 'The children are so welcoming and proud of Iceni, we could stay all week!'

The day went very well, and the team agreed with our next steps for the academy, which are:

- Analysing process on times tables
- Continuing with adaptations/ embedding the behaviour policy (The children would like us to change the name of the red letters to something else, so they do not get confused with it and the Zones)
- Incorporating more fieldwork in geography sessions.

We all look forward to another wonderful week of learning!
